## Heaters and Towel Rails

2023 GBP

## Classic design, convenient heating

Welcome to our exclusive range of electric heaters and towel rails, designed to provide heat at the flick of a switch.

Our attractive collection can be fitted in areas without access to an existing water supply, thanks to innovative technology and clever, compact design.

## Inspired design of towel rails

Each electric towel rail is pre-filled with a heat-transfer liquid and fitted with a compatible heating element. All you need to do is install it on a wall and plug it into a standard electrical outlet. Ideal for conservatories, flats and listed buildings, our electric towel range will look right at home in any room.

## Safety comes in threes

A 3-bar safety valve is fitted to every electric towel rail to eliminate the risk of excess high pressure when heated. Do not remove this valve until you have fitted the towel rail to avoid leakage. Always install the valve before using your towel rail for the first time.

Read on to discover our exclusive collection.

- 1.7 Specification: any specification for the Goods, including any related plans and drawings, that is agreed by the Buyer and the Seller.
- 1.8 Words in the singular include the plural and in the plural include the singular.
- 1.9 A reference to one gender includes a reference to the other gender.
- 1.10 Condition headings do not affect the interpretation of these conditions.
- 1.11 A reference to a statute or statutory provision is a reference to such statute or provision as amended or re-enacted. A reference to a statute or statutory provision includes any subordinate legislation made under that statute or statutory provision, as amended or re-enacted.
- 1.12 Any phrase introduced by the terms including, include, in particular or similar expression shall be construed as illustrative and shall not limit the sense of the words preceding those terms.
- 1.13 A reference to writing or written includes faxes and e-mails.

**2. Application of these conditions**

- 2.1 Subject to any variation under condition 2.3 the Contract shall be on these conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, Specification or other document) or which are implied by trade, custom or course of dealing.
- 2.2 No terms or conditions endorsed on, delivered with or contained in the Buyer's purchase order, confirmation of order, Specification or other document shall form part of the Contract simply as a result of such document being referred to in the Contract.
- 2.3 These conditions apply to all the Seller's sales and any variation of these conditions and any representations about the Goods shall have no effect unless expressly agreed in writing and signed by a director of the Seller. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given on or behalf of the Seller which is not set out in the Contract. Nothing in this condition shall exclude or limit the Seller's liability for fraudulent misrepresentation.
- 2.4 Each order or acceptance of a quotation for Goods by the Buyer from the Seller shall be deemed to be an offer by the Buyer to buy Goods subject to these conditions.
- 2.5 No order placed by the Buyer shall be deemed to be accepted by the Seller until a written acknowledgement of order is issued by the Seller or (if earlier) the Seller delivers the Goods to the Buyer.
- 2.6 The Buyer shall ensure that the terms of its order and any applicable Specification are complete and accurate.
- 2.7 Any quotation is given on the basis that no Contract shall come into existence until the Seller despatches an acknowledgement of order to the Buyer or (if earlier) the Seller delivers the Goods to the Buyer. Any quotation is valid for a period of 30 days only from its date, provided that the Seller has not previously withdrawn it.

**3. Description**

- 3.1 The quantity and description of the Goods shall be as set out in the Seller's quotation or acknowledgement of order.
- 3.2 All samples, drawings, descriptive matter, Specifications and advertising issued by the Seller and any descriptions or illustrations contained in the Seller's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract and no sale is a sale by sample.
- 3.3 To the extent that the Goods are to be manufactured in accordance with a Specification supplied by the Buyer, the Buyer shall indemnify the Seller against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by the Seller in connection with any claim made against the Seller for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Seller's use of the Specification. This condition 3.3 shall survive termination of the Contract.
- 3.4 The Seller reserves the right to amend the Specification if required by any applicable statutory or regulatory requirements. If such amendments will materially change the nature or quality of the Goods, the Seller shall notify the Buyer who may then terminate the Contract.

**4. Delivery**

- 4.1 Unless otherwise agreed in writing by the Seller, delivery of the Goods shall take place at the Seller's place of business.
- 4.2 Delivery is completed on the completion of loading of the Goods at the Delivery Point.
- 4.3 The Buyer shall take delivery of the Goods within 10 days of the Seller giving notice that the Goods are ready for delivery.
- 4.4 Any dates specified by the Seller for delivery of the Goods are intended to be an estimate (and not of the essence) and time for delivery shall not be deemed of the essence by notice. If no dates are so specified, delivery shall be within a reasonable time.
- 4.5 Subject to the other provisions of these conditions, the Seller shall not be liable for any direct, indirect or consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and similar losses), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Seller's negligence), nor shall any delay entitle the Buyer to terminate or rescind the Contract unless such delay exceeds 180 days.
- 4.6 If for any reason the Buyer fails to take or accept delivery of any of the Goods within 10 days of the Seller giving it notice that the Goods are ready for delivery, or the Seller is unable to deliver the Goods on time because the Buyer has not provided appropriate instructions, documents, licences or authorisations:
  - (a) the Goods shall pass to the Buyer (including for loss or damage caused by the Seller's negligence);
  - (b) the Goods shall be deemed to have been delivered at 9.00 am on the tenth day after the day on which the Seller notified the Buyer that the Goods were ready for delivery; and
  - (c) the Seller may store the Goods until delivery, whereupon the Buyer shall be liable for all related costs and expenses (including, without limitation, storage and insurance).
- 4.7 If 10 days after the day on which the Seller notified the Buyer that the Goods were ready for delivery the Buyer has not taken or accepted delivery of them, the Seller may, as an alternative or in addition to its rights under condition 4.6, (resell or otherwise dispose of all or part of the Goods and, after deducting reasonable storage and selling costs, account to the Buyer for any excess over the price of the Goods or charge the Buyer for any shortfall below the price of the Goods).
- 4.8 The Buyer shall provide at the Delivery Point and at its expense adequate and appropriate equipment and manual labour for loading the Goods. The Seller's delivery personnel shall not be required to:
  - (a) deliver Goods to any place at the Delivery Point beyond the ground level hard surface nearest to the Seller's vehicle; nor
  - (b) carry Goods up steps.
- 4.9 The Seller may deliver the Goods by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of the Contract. Any delay in delivery or defect in an instalment shall not entitle the Buyer to cancel any other instalment.
- 4.10 Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the Buyer to repudiate or cancel any other Contract or instalment.
- 4.11 Unless the Buyer has ordered and paid for a special time delivery at a time and place agreed by the Seller, the time of delivery shall be at any time on the date of delivery between 8am and 5pm.
- 4.12 The Buyer or its representative shall attend at the Delivery Point on the date and at the time of delivery and shall:
  - (a) forthwith inspect the outside of all packages before signing the delivery note on which note the inspector shall record all and any damage or short delivery; and
  - (b) within 24 hours of delivery:
    - (i) unpack and thoroughly inspect the Goods received; and
    - (ii) check the Goods received against the Seller's order; and
    - (iii) report forthwith to the Seller any visible faults or imperfections and any missing Goods or parts thereof; and
    - (iv) retain the packaging and delivery documentation of any faulty or imperfect Goods for inspection by the Seller; and
    - (v) not install, adapt, sell or dispose of (nor permit any other person to install, adapt, sell or dispose of) any Goods which the Buyer and/or the person inspecting the delivered Goods has found to be faulty, imperfect or incomplete.

**5. Non-delivery**

- 5.1 The quantity of any consignment of Goods as recorded by the Seller on despatch from the Seller's place of business shall be prima facie evidence of the quantity received by the Buyer unless the Buyer can provide conclusive evidence proving the contrary.
- 5.2 The Seller shall not be liable for any non-delivery of Goods (even if caused by the Seller's negligence) unless the Buyer gives written notice to the Seller of the non-delivery within 4 days of the date when the Goods would in the ordinary course of events have been received.
- 5.3 Any liability of the Seller for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Goods.

**6. Risk/title**

- 6.1 The Goods are at the risk of the Buyer from the time of delivery.
- 6.2 All Goods supplied by the Seller free of charge remain at all times the property of the Seller unless and until the Seller has agreed in writing to sell such Goods to the Buyer and has received payment in full in accordance with sub-condition 6.3 below. Samples supplied by the Seller free of charge may be used for display purposes only and shall be returned (at the Buyer's expense) to the Seller complete and in saleable condition within 3 months of delivery unless a longer period has been agreed in writing by the Seller.
- 6.3 Ownership of the Goods shall not pass to the Buyer until the Seller has received in full (in cash or cleared funds) all sums due to it in respect of:
  - (a) the Goods; and
  - (b) all other sums which are or which become due to the Seller from the Buyer on any account.
- 6.4 Until ownership of the Goods has passed to the Buyer, the Buyer shall:
  - (a) hold the Goods on a fiduciary basis as the Seller's bailee;
  - (b) store the Goods (not to the Seller's separate) from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Seller's property;
  - (c) not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods;

- (d) maintain the Goods in satisfactory condition and keep them insured on the Seller's behalf for their full price against all risks to the reasonable satisfaction of the Seller from the date of delivery. On request the Buyer shall produce the policy of insurance to the Seller;
- (e) notify the Seller immediately if it becomes subject to any of the events listed in condition 6.6; and
- (f) give the Seller such information relating to the Goods as the Seller may require from time to time.
- 6.5 The Buyer may resell the Goods before ownership has passed to it solely on the following conditions:
  - (a) any sale shall be effected in the ordinary course of the Buyer's business at full market value;
  - (b) it does so as principal and not as the Seller's agent; and
  - (c) ownership of the Goods shall pass from the Seller to the Buyer immediately before the time at which resale by the Buyer occurs.
- 6.6 The Seller's right to possession of the Goods shall terminate immediately if:
  - (a) the Buyer has a bankruptcy order made against him or makes an arrangement or composition with his creditors; or otherwise takes the benefit of any statutory provision for the time being in force for the relief of insolvent debtors; or (being a body corporate) convenes a meeting of creditors (whether formal or informal); or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation; or has a receiver and/or manager, administrator or administrative receiver appointed of its undertaking (any part thereof); or documents are filed with the court for the appointment of an administrator of the Buyer or notice of intention to appoint an administrator is given by the Buyer or its directors or by a qualifying floating charge holder (as defined in paragraph 14 of Schedule B1 to the Insolvency Act 1986); or a resolution is passed or a petition presented to any court for the winding-up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or the Buyer suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it; or fails to observe or perform any of his/its obligations under the Contract or any other contract between the Seller and the Buyer; or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade; or
  - (b) the Buyer encumbers or in any way charges any of the Goods.
- 6.7 If before ownership of the Goods passes to the Buyer the Buyer becomes subject to any of the events listed in condition 6.6, it shall not limit any other right or remedy the Seller may have.
- 6.8 The Seller's right to resell the Goods or use them in the ordinary course of its business ceases immediately; and
  - (a) the Seller may at any time:
    - (i) require the Buyer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product; and
    - (ii) if the Buyer fails to do so promptly, enter any premises of the Buyer or of any third party where the Goods are stored in order to recover them.
- 6.9 The Seller shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has passed to the Buyer.
- 6.10 The Buyer grants the Seller, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them; or, where the Buyer's right to possession has terminated, to recover them.
- 6.10 Where the Seller is unable to determine whether any Goods are the goods in respect of which the Buyer's right to possession has terminated, the Buyer shall be deemed to have sold all goods of the kind sold by the Seller to the Buyer in the order in which they were invoiced to the Buyer.
- 6.11 On termination of the Contract, however caused, the Seller's (but not the Buyer's) rights contained in this condition 6 shall remain in effect.

**7. Price**

- 7.1 Unless otherwise agreed by the Seller in writing, the price for the Goods shall be the price set out in the Seller's price list published on the date of delivery or deemed delivery.
- 7.2 The price for the Goods shall be:
  - (a) exclusive of any value added tax (VAT), which the Buyer shall additionally be liable to pay to the Seller at the prevailing rate, subject to the receipt of a valid VAT invoice; and
  - (b) exclusive of all costs or charges in relation to packaging, loading, unloading, carriage and insurance, all of which amounts the Buyer shall pay in addition when it is due for payment by the Goods provided that in respect of Goods delivered within Great Britain the price of Goods shall include:
    - (i) packaging, loading, unloading, and an element of insurance cover (for details of which cover please contact the Seller); and
    - (ii) each order which is confirmed by the Seller to exceed its minimum order quantity in respect of that product type and delivery destination) the cost of carriage.
- 7.3 The Seller may, by giving notice to the Buyer at any time before delivery, increase the price of the Goods to reflect any increase in the cost of the Goods that is due to:
  - (a) any request by the Buyer to change the delivery date(s), quantities or types of Goods ordered, or the Specification; or
  - (b) any delay caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate or accurate information or instructions.

**15. General**

- 15.1 Each right or remedy of the Seller under the Contract is without prejudice to any other right or remedy of the Seller whether under the Contract or not.
